**Subject:** RE: April 3rd Meeting Summary and Proposed Conference Call  
**Date:** Tuesday, April 16, 2013 5:06:00 PM

---

Chase,

Thank you for your April 12, 2013 letter that summarizes the April 3, 2013 meeting between representatives of EPA, MDEQ and Georgia-Pacific. Although we appreciate your offer for us to review and comment on your summary, it is not our standard practice to produce, comment on, or approve meeting minutes. As you indicated in your letter you would like to have a conference call to discuss other issues/comments not discussed at the meeting. We certainly can discuss this letter during the call as well. Please contact me to set-up a call/meeting with EPA/MDEQ."

Thanks  
Jim Saric

**Subject:** April 3rd Meeting Summary and Proposed Conference Call

Jim,

The attached letter documents Georgia-Pacific's understanding of the discussions we had during our meeting in Chicago last week. Please let us know if it is alignment with your takeaways from the meeting.

We would also like to propose a follow up conference call to discuss several additional comments that we were not able to get to during the meeting. In an effort to capitalize on our remaining time, I suggest we schedule this as early next week as possible.

Please let us know your availability for a call.

Thanks,
